

## NDIS Workforce Project Manager Murraylands and Riverland

<b>Location:</b>	Murray Bridge or Berri, SA
<b>Term:</b>	2-year contract
<b>Remuneration:</b>	\$70,000 - \$80,000 plus superannuation and a fully maintained work vehicle.

The Disability Workforce Hub for the Murraylands and Riverland is an important initiative to help secure a sufficient and diverse workforce supply as the region moves towards full implementation of the NDIS. It will operate as a 'One Stop Shop' model for **organisations, workers** and **job seekers** looking for support and assistance across the disability sector. The Hub will contribute to building workforce capacity and capability, ensuring local people are employed and to help Regional South Australian employers secure skilled and experienced workers.

RDA Murraylands and Riverland is seeking a professional project manager to join the team as the NDIS Workforce Project Manager. The role is responsible for delivering the following project objectives:

- Connect disability sector employers and suitable job seekers, including through intermediaries such as employment service providers, higher education providers and vocational education and training (VET) organisations;
- Build the capacity of career services practitioners to provide specialist career guidance to individuals wishing to work in the disability sector;
- Support local employers to identify and address their workforce development needs, with a focus on workforce supply.

The NDIS Workforce Project Manager will identify disability sector employers and potential jobs in the Murraylands and Riverland, and support the connection of local employers, employment agencies and suitable job seekers.

The successful candidate will possess

- A high level of verbal and written communication skills
- Excellent consultation and negotiation skills
- Ability to work harmoniously within a small team
- Advanced computer skills
- Appropriate post-secondary business-related qualifications.
- Proven ability in developing and maintaining effective relationships and networks
- Experience in undertaking research and analysis and providing recommendations in relation to business issues.
